

# 2017 Columbia Citizen of the Year Nomination Form

The Columbia Citizen of the Year program was begun by the Acme Grange in 1977. In 1990, the Columbia Historical Society took over the award as the Grange ended its long history in Columbia. It is now being continued by the Columbia Historical Society and the Columbia Chamber of Commerce. The Columbia Historical Society creates the nomination form, reviews the submitted nomination forms, and selects the recipient. The Columbia Chamber of Commerce purchases the award plaque for presentation. The award is given to recognize a current resident of Columbia Township for his or her service to Columbia Township as part of an organization and/or as an individual that has contributed time, energy, and/or resources to the community.

Individuals or organizations are encouraged to nominate a person for this award to be presented during the Columbia Homecoming Festival.

Mail Nomination Form to: Columbia Historical Society, Attn: Citizen of the Year, P.O. Box 983, Columbia Station, Ohio, 44028.
